Colonel Henry Whitehorn
Louisiana State Police
7919 Independence Blvd. (A-8)
Baton Rouge, LA 70896

Dear Colonel Whitehorn:

I have been privileged to be a part of such a worthwhile organization and am honored and humbled by the decision of the Foundation to bestow on me the title of Chairman Emeritus.

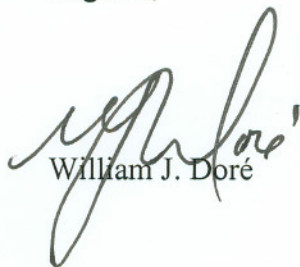

I truly believe in the Foundation's missions and programs in support of our youth, because these are crucial if we ever hope to make a difference in the lives of these at-risk children. It is important they realize their potential and how much an integral part they can play in the future of Louisiana and the impact they can make.

And, it is up to us as a board to show them the way.

I wish to commend your volunteer service in support of our troopers who are making a difference in the lives of these youngsters, our citizens, and our communities AND doing so without fanfare, and in most cases, without compensation.

Again, thank you.

Regards,

William J. Doré
